1. SERVICE LOCATIONS: Specialist Anaesthetists National Health Mission, Uttar Pradesh (NHM), Multiple Service Locations across Uttar Pradesh (approx. 159 service locations)

2. ORGANIZATION BACKGROUND:

The **National Health Mission (NHM)** was launched with a view to bringing about improvements to the health system and health status of people, especially those who live in the rural areas of the country. The **Mission** seeks to provide universal access to equitable, affordable and quality health care which is accountable at the same time responsive to the needs of the people, reduction of child and maternal deaths as well as population stabilization, gender and demographic balance. A key impediment to the fulfilment of these objectives comprises the large number of unfilled service locations for **Specialist Doctors** at government healthcare service delivery points at all levels.

National Health Mission, Uttar Pradesh (NHM), is launching an ambitious drive to fill 150+ service locations for **Specialist Anaesthetists**, that exist at **District Hospitals, Sub-District Hospitals, Community Health Centres** and **First Referral Units** across Uttar Pradesh.
