

**General Terms and Conditions for the Recruitment Process
for the Short-Term Hiring of Human Resources for Data Collection
Positions Under Consultancy Contract for an ICMR-Funded Project**

About Project:

The National Entrepreneurship Network (NEN) is an independent organization developing AI-based solutions for social good. **NEN** is supported by reputed global institutions. **NEN** works closely with central and state governments in India to collaborate on solutions in the domains of healthcare, education, and agriculture.

For more information about **NEN**, please visit <https://www.wadhwaniai.org/>

NEN is implementing the ICMR-funded project titled “**To design an AI-based solution for the public good to automate anthropometric measurements for children from 0 months to 3 years**”, being strategized and implemented by **NEN-AI**, is a dedicated effort to build an AI-based solution for anthropometry based on a dataset of short videos (less than a minute) and images of children from 0 months to 3 years, along with their anthropometric measurements.

Strategic Alliance Management Services Pvt. Ltd. (SAMS), a premier, multi-disciplinary, general management consultancy, providing HR and other services, has been retained by **NEN** for the hiring and engagement of multiple data professionals under short-term consultancy contracts, who will be tasked with supporting the above project.
